Technical Dive Training: Terms and Conditions!

initials

i. Please understand... **You pay for your training but your certification is earned.**

ii. We reserve the right to withhold certification for reasons based on performance, attitude, skill, experience, knowledge, physical, mental and/or emotional conditions.

iii. All equipment provided by the student must be serviced on a regular basis and meet requirements of the programs. Inquire should you have any question about your gear.

iv. Adequate cylinder size is required for all open circuit and closed circuit training programs. Bailout cylinders must be used on all Rebreather training programs.

v. Students must complete all required academic work prior to attending classes. Students who are not prepared to take part in pool and/or ocean dives will require rescheduling and additional charges will apply.

vi. Students are **required** to attend **all** scheduled classroom, pool and openwater sessions. Missed sessions will require rescheduling and the student will be subject to additional charges of \$35 per hour for classroom and \$75 per hour pool.

vii. We do not allow any smoking or alcohol consumption during the Technical Programs or 24 hours prior to and immediately after the course. At no time shall alcohol be consumed during the process of any training program.

viii. Drugs are strictly prohibited - any evidence of alcohol or drugs during a program will result in immediate suspension without refund.

ix. Surcharges apply should additional dives be required to complete the program at a rate of \$100 per dive.

x. All course prices do not include manual(s), E-learning programs, Gas / Scrubber fills, boat charter fees, ground transportation to sites or additional equipment rental.

xi. Physicians medical clearance form (less than 1 year old) must be completed and submitted prior to program start.

xii. Equipment Rental is available. Arrangements must be made in advance. It is HIGHLY RECOMMENDED that individuals enrolled in Technical Diver programs purchase their own equipment as familiarity and suitability is important at this level.

xiii. 50% non refundable deposit is required to reserve your spot in the program. Balance at the beginning of the course.

xiv. **Training is paid for, certification is earned.**

I, _____, have read the above terms and conditions. By initialing each I have indicated that I understand them and have agreed to abide to them in whole and without condition.
